

Addendum: **SurgiSuite User's Guide** Far Infrared Warming Change

Addendum

October 2019

SurgiSuite is now available as a standalone board. In addition to other accessories, you have the flexibility to purchase SurgiSuite with or without warming.

You can upgrade to include warming at any time.

For more information, please see www.KentScientific.com or call us at 888-572-8887

As part of our ongoing commitment to keep our products and documentation up to date, Kent Scientific has recently made amendments to these products and the documents referenced here. This Addendum reflects those changes. Please print this Addendum and store it with your current documentation

Thank you for your patience.
